1/ Totals, while shown to the last digit, are not in fact precise to that degree but merely represent the sum of rounded and unrounded figures furnished by the various States.

2/ Excludes kindergarten.

3/ Data for elementary and secondary schools are reported by grade-group: kindergarten through grade 8 for elementary, and grades 9 through 12 for secondary.

4/ Data for elementary and secondary schools are reported by grade-group: kindergarten through grade 6 for elementary, and grades 7 through 12 for secondary.

5/ Data for 1961-62 school year.

6/ Percent change not shown because data are not entirely comparable.

7/ Excludes vocational schools not operating as part of the regular public school system.

8/ Data for elementary and secondary schools are reported by grade-group: kindergarten through grade 7 for elementary, and grades 8 through 12 for secondary.

9/ Estimated by Office of Education.

NOTE.--Data for the large cities (shown directly below their respective States) are already included in the State totals.
